### **APPLE BED BUG TREATS**

"Red apples are decorated to look like bed bugs. This is a quick and fun snack that kids will enjoy making and eating. For once kids can play with their food."

#### **Ingredients**

- 2 red apples
- 1/4 cup raisins
- 1 tablespoon peanut butter
- 8 thin pretzel sticks

#### **Directions**

1. Slice apples in half from top to bottom and scoop out the cores using a knife or melon baller. If you have an apple corer, core them first, and then slice. Place each apple half flat side down on a small plate.
2. Dab peanut butter on to the back of the 'bed bug', and then stick to make eyes. Stick one end of each pretzel stick into a raisin, and then press the other end into the apples to make antennae.
